Dear Commission:

RE: CABLE AND SATELLITE SUBSCRIBER OPTIONS (DOCKET - 04-207)

As a consumer, I do not want to pay for channels that I am morally opposed to. For instance, ESPN and OLN both show cruel rodeo events in which animals are harmed. When I buy a whole television package, I am giving money to support those stations. By allowing the consumers to subscribe to individual channels, they can choose stations that they find morally and ethically acceptable.

Thank you,

William McMullin
